# Dam Safety 2022 Drink Tickets

ASDSO is providing exhibitors the ability to pre-purchase drink tickets for both receptions held in the exhibit hall. The receptions will be held on Monday evening, September 19, from 5:00 - 6:30 and Tuesday evening, September 20, from 5:00 - 6:30. Tickets may be used on either evening; however, unused tickets **may not** be returned. Drink tickets can be used for your staff or provided to customers and prospects attending the conference. Tickets may be redeemed for beer, wine, cocktails, or sodas.

Please note drink prices are set by the Baltimore Convention Center and include applicable service fees (23%) and tax. Pricing is slightly higher than purchasing directly from the cash bars at the event due to these fees. You may purchase directly from the onsite cash bars without purchasing drink tickets – these are provided to assist in your ability to entertain clients and prospects at the conference, all handled through a single transaction. Pricing may not be changed. Once purchased, **no** refunds will be provided for unused or lost tickets. All tickets must be purchased by Thursday, September 15th at noon to be delivered prior to the opening reception.
