

2024 ASDSO Awards Program

BRUCE A. TSCHANTZ PUBLIC SAFETY AT DAMS AWARD

OVERVIEW

ASDSO established this award in 2017 to recognize and celebrate Dr. Bruce Tschantz's lifetime achievements in dam safety, his contributions to ASDSO, and his efforts to improve public safety around dams. The award will be given to someone who takes on the "local champion" role and works to improve public safety around dams. Often, action would only be taken with their efforts.

AWARD CRITERIA

Nominees should have improved public safety around dams by:

- raising public awareness about safety hazards around dams,
- encouraging dam owners to take responsibility for ensuring public safety at dam sites,
- actively participating in research efforts aimed at mitigating safety hazards around dams, or
- furthering efforts to carry out safety modifications at hazardous dam sites.

The recipient can also be a model dam owner who has significantly improved the public safety program for their dams.

PROCEDURES

- All nominations must use the attached PDF form. Nominations may be sent to Awards@Damsafety.org.
- The deadline for nomination and submittal of documents is May 3, 2024.
- Representatives of the ASDSO Public Safety at Dams Committee will review the nominations. The ASDSO Board of Directors will confirm any recipients. The award may be awarded every year at the discretion of the Board of Directors.
- Award recipients will be notified in July 2024. Award recipients will be recognized at an awards luncheon on September 23, 2024, held in conjunction with Dam Safety 2024 in Denver, Colorado.
- Award recipients will be recognized in select Dam Safety 2024 materials, on the ASDSO website, in *The Journal of Dam Safety*, and in ASDSO's FY25 Annual Report.

Completed forms should be submitted to Awards@Damsafety.org.
