

2024 ASDSO Awards Program

TERRY L. HAMPTON MEDAL

OVERVIEW

This Medal was established by the Affiliate Member Advisory Committee, now known as the ASDSO Advisory Committee (AdCom), to recognize Terry L. Hampton's lifetime achievements in the field of hydrology and hydraulics and his contributions to ASDSO and the AdCom. Terry, a graduate of the University of Wisconsin, was a member of ASDSO since its inception and was a past chair of AdCom, a frequent speaker and moderator at ASDSO conferences, and the recipient of the President's Award in 1996 and the Mid-West Regional Award of Merit in 2003. The award consists of a medal and a certificate.

GUIDELINES FOR THE BASIS OF SELECTION

- The Medal will be awarded for outstanding contributions to research and/or practice in hydrologic and hydraulic engineering for dams.
- The Medal will ordinarily be granted for cumulative distinguished contributions in hydrologic and hydraulic engineering for dams. In exceptional cases, it may be awarded for a single contribution of outstanding merit.
- The Medal may be awarded every year at the discretion of the selection committee and will be limited to one individual, unless a nomination is based on work which was a joint effort of a substantial duration.
- No individual shall receive the Medal more than once.

SUBMITTAL REQUIREMENTS

Provide the following using paragraph form:

- A cover letter signed by the nominator.
- The nominee's Curriculum Vitae or biographical information.
- Three letters of recommendation.

PROCEDURES

- All nominations must use the attached PDF form. Nominations may be sent to Awards@Damsafety.org.
- The deadline for nomination and submittal of documents is May 3, 2024.
- The nominations will be reviewed, and the recipient chosen by the ASDSO Advisory Committee.
- Award recipients will be notified in July 2024. Award recipients will be recognized at an awards luncheon on September 23, 2024, held in conjunction with Dam Safety 2024 in Denver, Colorado.
- Award recipients will be recognized in select Dam Safety 2024 materials, on the ASDSO website, in *The Journal of Dam Safety*, and in ASDSO's FY25 Annual Report.
