UNDERGRADUATE SCHOLARSHIP

ASDSO's Dam Safety Scholarship Program was established in 1992, recognizing that one of the keys to achieving the association's goals is the development of well-trained technical persons. As of 2023, ASDSO has awarded more than 50 scholarships totaling more than \$250,000.

At least one scholarship will be awarded in 2024, with up to \$20,000 in scholarship funds available. A travel stipend to the ASDSO Annual Conference may also be awarded in addition to the scholarship funds.

Successful applicants must be U.S. citizens or lawful permanent residents enrolled full-time at the senior level during the 2024/2025 school year. Applications must be enrolled in an accredited civil engineering program or a related field as determined by ASDSO. They must demonstrate an interest in pursuing a career in hydraulics, hydrology, geotechnical disciplines, or another discipline related to dam design, construction, and operation.
