Association of
State Dam
Safety Officials

BACKGROUND

The Association of State Dam Safety Officials (ASDSO) was founded in 1984 with these stated goals:

- To provide a forum for the exchange of ideas and experiences on dam safety issues.
- To foster interstate and inter-governmental cooperation in dam safety.
- To provide information and assistance to state dam safety programs and to the ASDSO membership.
- To provide representation of state interests before Congress and federal agencies responsible for dam safety.
- To improve the efficiency and effectiveness of state dam safety programs.

Recognizing that one of the keys to achievement of these goals is the development of well-trained technical persons with an interest in one of the many scientific fields related to dam safety, ASDSO established its Dam Safety Scholarship Program in 1992.

THE SCHOLARSHIPS

Scholarships will be awarded for the **2022/2023** school year and have ranged from \$5,000 to \$10,000 in recent years. Successful recipients must be U.S. citizens and enrolled full-time at the **senior** level (during the 2022/2023 school year) in an accredited civil engineering program, or in a related field as determined by ASDSO, and must demonstrate an interest in pursuing a career in hydraulics, hydrology or geotechnical disciplines, or in another discipline related to the design, construction and operation of dams. Undergraduate students planning to graduate in May/December 2023 will be eligible for the 2022 scholarship.

Minimum Criteria - Applicants must have a cumulative grade point average of 2.5 for the first three years of college and be recommended by their academic advisor. They must also submit a typewritten essay on the topic: What is ASDSO and why is dam safety important.

Basis for Award - The basis for selection will generally follow these guidelines:

- Academic Scholarship
- Financial Need
- Work Experience/Activities

ASDSO will be the final determiner in each instance as to which applicants will be recipients of a scholarship.

Final Application Date - Application forms can be obtained by writing to ASDSO at the address below and must be postmarked no later than **March 31, 2022**. Announcement of successful candidates will be made in **July 2022**.
