

Dam Information Resources and Training (DIRT) Conference

The Association of State Dam Safety Officials (ASDSO) invites you to participate in a one-day **Dam Information, Resources, and Training (DIRT) Conference** for Dam Owners, Operators, and Local Officials on Tuesday, **June 6, 2023**, at **Valle Vista Golf Club & Conference Center**, 755 East Main Street, Greenwood, IN, 46143.

This multi-speaker conference has been created to bring dam owner / operators together with members of the professional dam safety community and various supporting professions.

ASDSO is a national non-profit professional association of engineers and others who own, regulate, or work on dams. For more information about ASDSO, see its website at www.damsafety.org or call (859) 550-2788.

Back by Popular Demand:

Are you a relatively new dam owner, newly elected ownership board member, or just want to strengthen your knowledge of basic terminology and fundamental dam safety issues? Then consider joining our new Dam Ownership 101 Track. You will gain a better understanding of ownership responsibilities and the various technical aspects of reducing the risk of a dam failure. This track will take place during morning registration and will conclude before the conference begins so you won't miss a thing. This track is free with a paid registration.
